JOB OPENING

ACQUISITION MANAGEMENT SPECIALIST

Positions In CA, TX, GA, CO, MA, and MD

Seeking a responsible manager to oversee sensitive acquisition activities in support of a major U.S. government agency. Must be familiar with DoD contracting and acquisition policy, practices, procedures, and terminology. Should have experience in the control of classified documents and be familiar with DoD security practices.

Qualifications: Four (4) years combined experience in DoD facility management, program management, and/or contract management. Must be able to obtain a TS security clearance.

Functional Responsibility: Manage daily operations of an Acquisition Resource Center (ARC) or ARC Regional Center to include the control, dissemination and management of sensitive solicitation information, event management (bidders conferences, program briefings, and training events), source selection team management, and general office management.

Minimum Education: BS/BA and two (2) years of experience or at least six (6) years of professional experience in HR or communications-related fields with demonstrated experience in operations management.

Best Value Technology, Inc. (BVTI) is an experienced, full service technology provider committed to technological innovation and “best value” solutions for the unique issues presented by our challenging federal landscape.

BVTI’s core competency is developing secure eCommerce web services, automating acquisition processes, and customizing solutions that leverage optimal technologies for our clients. We are not restricted to any particular technology or vendor, by education or business arrangement, leaving us free to implement the solution that best fits an agency’s particular environment and budget.

BVTI is comprised of a diverse team that is drawn from a broad range of educational and professional backgrounds; bringing together a talented skill set with a dynamic, fresh approach to delivering cutting-edge products and services. The BVTI team has supported the National Reconnaissance Office (NRO), National Geospatial-Intelligence Agency (NGA), Central Intelligence Agency (CIA), National Security Agency (NSA), Army, Air Force, Marines and Navy,

All BVTI employees are TS/SCI cleared and enjoy one of the best benefits packages in the industry. BVTI is a privately held, class C corporation headquartered in Northern Virginia and currently holds active contracts within the Intelligence community. BVTI is a Disabled Veteran-Owned Small Business and offers unique partnering opportunities for Federal acquisition activities by signing non-compete clauses to mitigate organizational conflict of interest (OCI) issues.
